

Please find below a list of 2015 events. As you are aware we rely and depend upon our stewards to run successful events. We are always grateful for the help we receive and once again need to plan stewarding for this year. Please indicate at which events you are prepared to help, the day(s) you can help & complete the contact details. We do not need many helpers on Saturdays but it takes at least 20 stewards to run a 3 section marathon on Sundays so PLEASE help or provide some helpers.

Thank you
